Robert Clerk to resign the Service by the disappointment of his just expectations - attributes M^r. Lewin's displacement from the Sudr Udalut, by the retention of M^r. Maclean, and his subsequent supercession by 2 of his Juniors, to some unfavorable opinion, which he has not had an opportunity of combating - alludes to the conduct of the Sudr Udalut towards M^r. Lewin, in the late charges brought against him, and believes that his removal from the Sudr Udalut is owing to some sinister report of his proceedings while acting as Judge of that Court which he has not been permitted to answer - because it is now acknowledged that Extra official accusation was employed against M^r. 383	Minute by the Honble Mr Chamier	Observes that Mr Inglis has no claim to any Extra allowance for discharging the duty of trying the Prisoners concerned in the late disturbance in Cuddapah whilst relieved from all the Civil, Criminal and Miscellaneous business of his own Court – That by act V. of 1841. it is declared "competent, for the ordinary tribunals to try charges of treason &c^a" and sees no ground for granting any special remuneration when an Officer presiding over one of these ordinary tribunals is directed to conduct such trials at his own station and is at the same time relieved from his other duties	26th Decr 46	2^d Feby N° 5	31st May 1847 N° 25
385	Minute by the Honble Mr Dickinson	Does not consider the cases included in the list of precedents for the grant of Extra allowances strictly analogous to that under the consideration of Government – Does not perceive that greater responsibility attaches to Mr Inglis as a Commissioner than what was imposed upon him as Session Judge and that in both capacities, cases of life and death must constantly come before him – and suggests that the question be deferred until Government see whether the labours imposed upon Mr Inglis have been particularly severe	26th Decr 46	N° 6	D^o

580 Minute by the Honble Mr. Dickinson	– – – – – – Observes with reference to a Memo submitted by the Chief Secretary denying certain Statements made by Mr. Actg. Maclean, that, altho' he cannot recall to his recollection who it was that mentioned the subject to him – he remembers having been told that Mr. Maclean had gone to the Palace of the Nabob at night and played at Cards with His Highness. – States that as Mr. Conway is said to have overheard the conversation, that Gentleman will be able to declare whether any such conversation passed in his presence or not – – – – – – – – –	6th January	No. 7	Do.
582 Minute by the Honble Mr. Chamier	– – – – – States that if Mr. Maclean believes that the offence imputed to him, in the manner stated in his letter of 22d December last, may have been one of the operating causes of his removal from the bench of the Sudr Adawlut, he has a right to bring the matter forward as he has done in an official letter and whilst he asserts the groundlessness of the imputation to demand the authority upon which it was made. 594	Minute by the Honble Mr Chamier	States that no part of his Minute of the 21st January 1847 either in letter or spirit will bear the inter=pretation put upon it by the Chief Secretary - that he has neither cast the imputation - nor left it to be inferred - nor does he believe that Mr. Thomas either as Chief Secretary, or as a private individual made to the Most Noble the President any statement whatever injurious to Mr. Maclean's character as para 3 of his Minute most distinctly shews - Explains the scope of his observations and regrets to be obliged again to re=quest the attention of the Board to the terms in which the Chief Secretary has thought fit to express himself in commenting on the Minute of a Member of Government - - - -	6th Feby	No. 11	Do.

813	Minute by the Honble Mr. Chamier	Observes that as Government will not frankly and fully communicate to Mr. Maclean the precise nature of the accusations upon which he was removed from the Sudr Udalut, that Gentleman is necessarily left to search in rumours and surmises for the cause of the humiliation which he has felt and of the stigma which attaches to his transfer to the Board of Revenue in the Eyes of the Service. Does not see the smallest objection to a compliance with Mr. Maclean's request to have access to the records of the Court for the purposes stated by him. Considers any thing short of a full communication to him of all representations that have been made to his detriment to be a denial of justice to him		15th Feby No. 16	Do.
815	Minute by the Honble Mr. Dickinson	States that so far as he is concerned, Mr. Maclean is welcome to every Record which the Court of Sudr Udalut contains but as he cannot perceive that any advantage is likely to attend the search, considers that the permission solicited should be refused		17th Feby No. 17	Do.

3702 Minute by the Honorable Mr Chamier — — — — Intimating that he has no doubt of the propriety of furnishing Mr. M. Lewin with a copy of the Honorable Courts Despatch of the 22d June 1847 No. 13, and stating that he can see no good reason why Mr. Lewin should not be told in the terms addressed to Mr. Blackburne of the improper style of his letters, and upon Mr. Lewin making an apology, his resignation of the service may be accepted — — — — 16th Augt. | No. 34 | 11th Septr. 1847. 3987 Minute by the Honble Mr Chamier — — — — Considers it unusual to found changes of system and to grant increased Judicial powers upon Memoranda from Subordinate Officers without a report from their immediate local Superiors, and that in the present case an explanation from the local

Superior

Superior Officers is indispensable. Does not concur in the opinion that Ootacamund is essentially a Military Cantonment, & hopes that the provisions of Regulation VII of 1832 will not be applied to that station, until it is explained why the same system which under Captn. Gunning was declared by Govt. to have been "entirely successful" should now require the extraordinary addition of Civil, Criminal and Military powers proposed to be conferred on Captain Grant — Considers the proposed arrangement highly objectionable and refers to the marked aversion of the Government of India to make the Neilgherries a Special jurisdiction — — — — — — 22d. Octr. 46 | 21 Septr. No. 5 | 27th Novr. 1848 No. 29

3996. Minute by the Honble. Mr. Dickinson — — — — — — Does not think that a Report on the necessity for a change of System in the administration of Justice on the Hills is necessary, as it is palpable that a change is necessary, — Concurs in the opinion that Ootacamund is more a Civil station than a Military Cantonment, and is of opinion that the provisions of Reg: VII of 1832 could not be legally exercised at any station where there were no Troops — Thinks that if the Officer who might be appointed to the Hills were vested with the powers of Assistant Judge in addition to those of Joint Magistrate, no further complaints would be made by the inhabitants of the Hills, and suggests that measures be adopted for establishing an Auxilitary Court at Ootacamund — — 28th Octr. 46 | 21st Septr. No. 6 | Do.

4002. Minute by the Honble Mr. Chamier — — — — Deems it extraordinary that whilst so much concern has been manifested in other instances for the character of Public Functionaries, the Magistrate and Native Judge of Coimbatore should not be thought deserving of protection from the Government, when charged with offences by the Joint Magistrate — States that enquiry is equally necessary into Captain Grant's fitness for his present and

4169	Minute by the Honble Mr. Channier	States he is not aware of having intimated that he "considered 18 years as the legal age in the case of Native Females" and that his note, had reference to the Advocate General's proposition to declare the detention of a Child, whether male or female against the consent of the parties having charge of it, a misdemeanor; & simply adverted to the opinion of the Honorable Court that they considered 18 to be the age of discretion	8th Septr. 4887	Minute by the Honble Mr. Channier	States he was not a party to the condemnation of Mr. Smollett, because he felt assured it was not merited; that the Government should have heard Mr. Smollett fully in his defence before they condemned him; and that the public service suffers greatly when its most efficient Officers feel they have not the support of the Government	12th Novr.	7th Decr.
